White Marching Shoe

The white marching shoes are to be worn for every marching performance. The company that makes our band shoe has sent a “sizing kit” with several different sizes for the students to actually try on during summer band. Orders will be placed during the first week of summer band. The shoes will be delivered within 1 week after the order is placed. Every band member **must** have our marching shoes for their uniform. Cost of the shoe is **\$25.00**. We will fill out the sizing information when measuring takes place during summer band.

This is a T-Shirt that is to be worn under the marching uniform to protect the student from itching and irritation, and is to also be worn to protect the expensive uniform fabric as much as possible. This T-Shirt will also give the band a “uniform look” if it is decided that the uniform coats should be removed in extreme weather conditions. This T-Shirt is considered to be a part of the uniform and must be worn **under** the coat at all times. Cost of the T-Shirt is **\$15.00**. The sizes listed below reflect typical T-Shirt sizes.
